

Sophie Hayton

Business Support Apprentice

What I do:

I will be mainly doing marketing projects such as social media and website work, I also do a lot of admin tasks such as managing our main email account.

What people appreciate about me

I have a unique outlook on ideas and I work hard.

How I work best

With music playing, with lists and a plan having the ability to take breaks if my work starts to be too over whelming.

What's important to me

My Boyfriend, baking – cookies and Brownies are my favourite to bake!
Long drives, Listening to music, my cat Alex and my partners dogs,
travelling - I love going to new places and learning about new areas.
