

Jonny Laber- Craig

Educational Psychologist

What I do:

I try to help people be happy and do as well as they can at school.

What people appreciate about me

I always try to do what I say I will do!

I work hard.

I can be quite funny sometimes...but only sometimes.

What's important to me

Making other people feel safe and happy.

Making sure that I'm happy too!

Always trying my best.

How I work best

Early in the morning.

With a GIANT cup of coffee.

When my dog (who is called Popcorn) isn't barking!
